FOR IMMEDIATE RELEASE

CEREBRAL PALSY, INC. NAMES NEW DIRECTOR OF DEVELOPMENT

Cerebral Palsy Inc. (CP), a Green Bay-based non-profit organization serving Northeast Wisconsin for over 55 years, today announced the appointment of Julie Lynn to the position of Director of Development. Effective immediately, Lynn will lead and oversee the agency's development department, community relations and marketing while supporting the CP mission.

"After a thorough search for a Director of Development, we are very delighted to have Julie as part of the CP organization," said Dale Barbiaux, CP's Executive Director. "Julie's strengths in business and sales, along with her creativity, experience and enthusiasm, are a perfect match for the challenges of maintaining and growing additional support of Cerebral Palsy, Inc."

"I feel truly blessed to have been offered the opportunity to help the CP Center continue its wonderful presence and service to the Northeast Wisconsin community. I invite everyone to come and see what a wonderful thing that our community continues to build here at the CP Center," said Lynn.

Lynn has a wide range of experience in the fields of management, sales and negotiations. Most recently she served as Inside Sales Manager and previously as Corporate Travel Manager, with Schreiber Foods. Formerly she was employed with Wingate Inn Hotel as Director of Sales. She brings additional experience from her work on several community boards including the Neville Public Museum Foundation; Management Women, Inc.; and Wisconsin Business Travel Association.

Lynn holds a bachelor's degree in elementary education and a minor in special needs from Marquette University. She is a volunteer with Special Olympics and for Breast Cancer Awareness, and holds membership with several associations including the National Business Travel Association, Circle Wisconsin, Association of Corporate Travel Executives, Silent Partners and Green Bay Area Chamber of Commerce. In addition, she is a partner of the Visitor and Convention Bureau.

Cerebral Palsy Inc. provides services for the people of Northeast Wisconsin to promote community involvement, inclusion, and to enhance the quality of life of persons affected by temporary or permanent physical, sensory, and/or speech needs or conditions. CP served more than 2,000 families in the past year.

Services provided includes adult and pediatric therapies, assistive technology, aquatic exercise, inclusive child care, adult day services, vocational services, outreach services and service coordination to people of all ages.
