"In-Kind" gifts are equal in importance to monetary gifts, and may be tax deductible. Currently we are looking for donations of:

- 1. Adaptive Kitchen Remodeling \$25,000**
CP's Adult Day Services Kitchen needs to be remodeled and updated. This kitchen is used to teach cooking skills to Adult Day Services participants.
- 2. Roof Repair \$12,500**
The CP Center is in need of some repair work on the 1986 section of the roof.
- 3. Two Prone Stenders \$4,000/each**
Units provide support so that a client is able to stand independently for up to 60 minutes. When a client is in the standing position it increases their leg strength, trunk strength, trunk control and overall positioning. Regular use contributes to increased independence.
- 4. 27" Laminator \$3,000**
CP's current laminator continues to breakdown; it is used weekly to assist all departments throughout the agency with various projects.
- 5. Outdoor Storage Container \$275**
Secure containers are needed to store childcare's playground equipment.
- 6. 35 Yards of small Hardwood Chips Unknown Cost**
The childcare playground needs a yearly replenishment of child safe, small hardwood chips for ground cover.

CP Sponsors SuperKids Car

Spring brings along with it warm weather, longer days, children playing outside, and new seasons of outdoor play and competition. This year the Green Bay Area Soap Box Derby, a non-profit organization, celebrated a new season, and with that, its first SuperKids Car. The adapted car, sponsored by Cerebral Palsy, Inc. (CP), is the club's first car designed and constructed to accommodate youth with special needs. During the race, a child with special needs sits beside an experienced peer driver, and together they participate in the event. Amy Murphy, CP's Outreach Specialist and Volunteer Coordinator, was a first time spectator at the races in June. Murphy said, "The SuperKids car provides a unique option for a child with special needs to experience the thrill of racing in a competitive event. It's a great opportunity for kids who might not otherwise have this experience."

Executive Director's Message

Dear Friends,

It is with great pleasure and humility that I introduce myself, my name is Dale Barbiaux. I am honored to have been chosen as the 12th Executive Director in the 55 year history of Cerebral Palsy, Inc.

Although I am new to the Executive Director role, I am not a stranger to the CP organization. For the last nine years, I have been a member of the Cerebral Palsy, Inc. Board of Directors. During my tenure, I served a number of years as the Treasurer and am a past President.

I assumed my new role at the agency in late May of this year. One of my first objectives was to individually meet with each of the over 125 members of the CP Center staff. My goals were to introduce myself, find out why the CP Center was important to each of them and how we could together continue to improve the level of services which we provide to our clients and the Northeast Wisconsin communities we serve. Because of my years on the Board of Directors, I was familiar with the outstanding management staff of CP, but I was not prepared for the caring, compassion and dedication that permeates the entire organization. These truly are a magnificent group of individuals which I can now proudly say I am a part of.

As we are all aware, these are very difficult and challenging economic times. This environment can be especially difficult for not-for-profit organizations which rely on the support and generosity of the communities they serve. Organizations like Cerebral Palsy, Inc. owe their very existence to the benevolence of strong supporters like you who desire a community in which essential, high quality services are available to those in need. Undoubtedly, you are aware of a relative, neighbor or friend who has used the services provided by the CP Center.

With the trust and support that you bestow upon us, it is our responsibility to continue to be good stewards of the resources available. It is our goal as a vital community service organization to not only survive, but to thrive for another 55 years and beyond. We will accomplish this objective by evolving as an agency in our approach to serving our clients and the communities of Northeast Wisconsin.

We are immensely grateful for your continuing support. It is with this assistance and support that all of us can proudly proclaim that the CP Center is "where caring comes to life."

The Aquatic Center at CP Expands Class Line Up and Adds Time Slots for Existing Classes

In June, the Aquatic Center at CP expanded its summer session offerings, including an assortment of new classes appealing to a variety of ages and fitness levels. New classes included Salsa Splash, Parent and Child Aquatics, and W.A.V.E.S. Circuit. In addition, more time slots were included for exiting classes, and "Open Swim" times were offered in addition to the expanded Independent Exercise/Water Walking schedule.

The positive response, from new and existing pool patrons, to the new offerings was overwhelming. What does this mean? Well, with the fall session just around the corner (Sept. 28 - Dec. 23), the Aquatic Center will continue to offer a wide selection of the new classes introduced this summer, the expansion of existing classes, and new for fall: Lifeguard Training/Certification and "Core & More."

We invite you to stop in to see what we have to offer! The pools are warmer, the atmosphere is welcoming, classes are invigorating and **no membership is required.**
